

RHBA Member Designation Directory

Members of the Rochester Home Builders' Association (RHBA) are professionals in the industry. A number of our members have taken their professional knowledge and experience to another level by achieving a Designation through the National Association of Home Builders (NAHB) University of Housing. We encourage you to learn more about these designations by visiting the NAHB website at NAHB.org.

The RHBA provides continuous educational opportunities to its members and many of our members are in the process of achieving their designation so we encourage you to check back often as this is updated.
